Popular stock & bespoke items

Connecting Brands With People

We have been a supplier of popular products to the promotional industry since 1992. During 30+ years of trading we have built our reputation on great service and time-proven reliability.

Our team of experienced merchandisers and logistics personnel ensure that our orders are supplied on time and to specification.

Bespoke promotional items are the core of what we do. We help the trade specify the very best quality and design so that your customers get perfect items every time.

We provide clear to understand visuals and quick turnaround with most orders delivered in 15-20 working days.

For those orders where time is of the essence we also hold UK stock of many items that can be branded usually within 10 working days. See our UK stock guide for more details.

Our catalogues are designed to be a useful tool for both staff and customers, giving a better understanding of what can be made across our product areas.

They reflect our 30 years of expertise in promotional products and will help customers find the inspiration needed to specify the right product for their promotional needs.

If you require extra hard copies or digital versions please speak to us and we will be happy to organise those for you.
