## ABOUT US

We have been a supplier of popular products to the promotional industry since 1992. During 30 years of trading, we have built our reputation on great service and time-proven reliability. Our business is delivering our customers' promises on every order, from large to small. With a team of experienced merchandisers and logistics personnel in both the UK and Hong Kong ensure that our orders are supplied on time and to specification.

Whether your customer is a local community group or business, a start-up or an established blue chip corporation, we are equipped and ready to receive your order and manage it through every process, from conception to final delivery.

## OUR SUSTAINABLE PLEDGE

We recognise our responsibility to the environment beyond legal and regulatory requirements. We are committed to reducing our environmental impact and continually improving our environmental performance as an integral part of our business strategy and operating methods. We will encourage customers, suppliers and other stakeholders to do the same. We are committed to sustainable development (meeting the needs of the present without compromising the ability of future generations to meet their own needs) as a guiding principle within our work.

## LEADING THROUGH INNOVATION

As one of the first to adopt the BPMA's StepForward pledge we are committed to future-proofing our product range through initiatives such as our lanyard recycling programme, ensuring that we are at the forefront of industry innovation.

## A PROVEN TRACK RECORD

We have been a supplier of popular products to the promotional industry since 1992. During 30 years of trading, we have built our reputation on great service and time proven reliability. Our business is delivering our customers' promises on every order, from large to small.

## SOURCING AND SHIPPING SPECIALISTS

With teams in both the UK and Hong Kong, we work with experienced merchandisers and logistics personnel to ensure that our orders are supplied on time and to specification.

All orders are QC inspected by our Hong Kong team prior to being consolidated in shipments to the UK.

Whether your customer is a local community group or business, a start-up or an established blue chip corporation, We are equipped and ready to receive your order and manage it through every process, from conception to final delivery.

## SMALL ENOUGH TO CARE - LARGE ENOUGH TO COPE

Scale is not a problem. We process hundreds of orders every week, large and small. Our business has the resources to deliver at a national scale for major customers. We buy our UK stocks in bulk, keeping our freight costs and our carbon emissions low, allowing us to pass on savings to distributors.

## EASY TO DO BUSINESS WITH

We offer our customers the tools they need to conduct their business, including detailed product specifications and artwork templates.

## ADDING VALUE

Working to meet exacting client requirements is what we do. We can design and supply products that will delight and engage the most demanding of end users.

## DELIVERED CUSTOMER READY

We specialise in delivering products that are packed ready for the eventual receiver. That might be supplying countertop display boxes full of retail-ready products or presentation gift sets ready to be distributed to VIP guests.

## MEDALS

Medals have come a long way since the days of the primary school sports day.

We still make those traditional designs stamped with a simple logo; but these days, we are all winners - as the only limitation to design is the customer's imagination (and budget).

Marathons, triathlons, and endurance races are big business and have raised the bar with their goody bags and prize medals.

Contact us for more information or inspiration.
